3	<p>This month's focus: Melb meeting: <i>Sharing experiences – Best Broker? Best rates? Best broker service? Best experiences? Trading different instruments?</i></p> <p>One of the things that is most important to traders and investors is the activity of placing a trade and dealing with the broker, and minimising slippage and other “money stealers”. And this can depend on whether we trade in plain shares, ETFs, commodities, CFDs, options, etc.</p> <p>In this session we will invite meeting participants to tell us about their experiences for the benefit of other users. Including good stories, and bad experiences to share as a warning to others.</p> <p><u>In the webinar this month: <i>Phil's Burty indicator</i>. Phil H will share more information about his “Burty” indicator and ribbon, which he introduced to us in last month's webinar, and he will explain how he uses them to find trading stocks.</u></p> <p>[Past presentations can be downloaded from this BCUG Presentations folder.]</p>	60	Robert and all

* Matthew Flinders Hotel – How to find the hotel Board Room

Venue location – The Matthew Flinders Hotel is at: [667 Warrigal Rd, Chadstone](#), on the east side of busy Warrigal Road, just 350 metres from Holmesglen train station, and 750 metres north of the Monash Freeway.

Car Parking – This is available all around the hotel building, and easy hotel access is available on two sides. It's best to park on the Warrigal Road side of the venue towards the up-hill southern end of the car park (towards Dandenong Road and Monash Freeway), and then access the venue through the main front door which has a Reception Desk inside the door on the left.

Hotel Boardroom meeting room – Our regular monthly user group meeting will start promptly at 7.30pm as normal, in the venue's meeting room known as the “Boardroom”. This is fairly well hidden down the back of the large Longitude Function Room. After entering the hotel main entrance into the entry foyer, turn right into the Longitude Function Room(s). Walk down the left side of the function room almost to the very end, and turn left into the passageway that leads to the Boardroom.
