

Australian BullCharts User Group (BCUG)  
**Participating in the ASX Share Market Game – 2022**

February 2022

The ASX Share Market Game runs twice each year, and a number of BullCharts users are participating in the latest game (game #1, 2022, commencing 3 March, 2022). Two game leagues have been set up for BullCharts users, so that they can participate and see the progress of colleagues, and aim to do better in the market. This will give the members some real motivation to focus more on the market, and will encourage them to improve their strategies and their market performance.

Within this ASX Game we have two leagues for BullCharts users, and you are welcome to join one or both of our leagues. You will need to have a **MyASX** Username, and it will be useful to have logged in and viewed the game details: <https://game.asx.com.au/>

The league names for BullCharts users are:

- **BullCharts-sandbox** – for those who wish to experiment regardless of the eventual performance, and
- **BullCharts-users** – for the more serious game-players.

As a BullCharts user, you are welcome to join one or both of these leagues.

Simply follow these steps:

1. Go to the new ASX portal - <https://www2.asx.com.au>
2. Click on **LOGIN** (in the top right hand corner).
3. If you are new to the Game and not previously signed up to MyASX, click on "Join Now."
4. If you are a previous MyASX user, login with your MyASX username and password and you will be prompted to update your password.
5. Once you have logged in to the *ASX Investor Portal*, select the ASX Sharemarket Game (toward top right corner) and register for the Game. [This is quite safe to do. I first did this many years ago, and I don't receive any junk email. On another screen you can elect to receive occasional informative emails from ASX.]
6. To join the league:
  - (a) Under the "Resources" menu, select "Leagues" and then "Join league".
  - (b) For the League: "BullCharts-sandbox", enter the details: League ID: 34785 and the Password is: robert, and click on "Join league".
  - (c) For the League: "BullCharts-users", enter the details: League ID: 34786 and the Password is: robert, and click on "Join league".
7. And that's it – You have now successfully joined the league. That's all you need do for now.

**More about the ASX Share Market Game**

Within this 15-week game, you are allotted \$50,000 of fantasy money, and have the opportunity to trade from a list of around 300 stocks (this varies from game to game). There are game rules and some minor limitations; but the trading is very lifelike and follows the market action. Read more at the ASX website.
