Australian BullCharts User Group (BCUG)
Participating in the ASX Share Market Game – 2026

January 2026

In previous years the ASX Share Market Game has been running twice each year (except it ran once in 2024), and a number of BullCharts users have participated in the game over the years.

Once the game starts, we have two game "leagues" for BullCharts users, so that you can participate and see the progress of colleagues, and develop and test your strategy, and aim to do better in the market. This will give our user group members some real motivation to focus more on the market, and will encourage them to improve their strategies and their market performance.

Within this ASX Game we have two leagues for BullCharts users, and you are welcome to join one or both of them. You will need to have a **MyASX** Username, and it will be useful to have logged in and viewed the game details:
https://www.asx.com.au/investors/investment-tools-and-resources/sharemarket-game
or visit the ASX website https://www.asx.com.au/ and find the link for the Game.

The league names for BullCharts users are:

- ***BCUG-sandbox-2026*** – for those who wish to experiment regardless of the eventual performance, and
- ***BCUG-users-2026*** – for the more serious game-players.

As a BullCharts user, you are welcome to join one or both of these leagues.
Simply follow these steps:

1. Go to the ASX portal – https://www.asx.com.au/
2. Click on **LOGIN** (in the top right hand corner).
3. If you are new to the Game and not previously signed up to MyASX, click on "Join Now".
4. If you are a previous MyASX user, login with your MyASX username and password and you might be prompted to update your password.
5. Once you have logged in to the *ASX Investor Portal*, select the ASX Sharemarket Game and register for the Game. [This is quite safe to do. I first did this many years ago, and I don't receive any junk email. On another screen you can elect to receive occasional informative emails from ASX.]
6. To join the league:
   (a) Under the "Resources" menu, select "Leagues" and then "Join league".
   (b) **For the League: "BCUG-sandbox-2026",**
   enter the details: League ID: **40401** and the Password is: **robert**,
   and click on "Join league".
   (c) **For the League: "BCUG-users-2026",**
   enter the details: League ID: **40402** and the Password is: **robert**,
   and click on "Join league".
7. And that's it – You have now successfully joined the league(s). That's all you need do.

More about the ASX Share Market Game

Within this share market game, you are allotted $50,000 of fantasy money, and have the opportunity to trade from a list of around 300 stocks (this varies from game to game). There are game rules and some minor limitations; but the trading is very lifelike and follows the market action. Read more at the ASX Game website.
