3	**This month's focus topic: *AI (Artificial Intelligence) – What is it? Is there an AI bubble? How can I invest in AI?.*** In recent years there has been more and more said about AI. But exactly what is it? Is there currently an AI bubble, or is there more opportunity for investors? How can I profit from this? (This will be a repeat of the presentation Robert is delivering to the ATAA on Thursday 12 November at the Arcadia Hotel, South Yarra; but with more time for open discussion and exploration of the investing/trading possibilities.) In this session Robert will explain what AI is, and all of the related infrastructure and resources that are required to help make AI work. This will help to divulge the many companies that are involved with both the implementation of, and the ongoing operation of, "AI". And this will help you to find the investment opportunities, for as long as the AI hype continues. [Past presentations can be downloaded from this BCUG Presentations folder.]	30	Robert
4	**ASX Share Trading Game** – The 2026 game ended 18 June. The winners were announced and you can see the results: https://www.asx.com.au/blog/sharemarket-game-news. Also, about the game: https://game.asx.com.au/game/info/public/about-the-game	0	
5	**BullCharts Tips – Exploring key BullCharts features including:** (a) Current BullCharts version is 5.1.133. See more details on the BullCharts downloads page. (b) BullCharts scans – Example scans I have been using. (c) BullScript – Example script that I have used or developed. (d) Share a nice feature you found in BullCharts? or a quick tip? (e) Or a question about *"How do I...?"* in BullCharts. (f) Or, select an item from Robert's "Pink Sheet" for discussion.	15	(all)

6	**Best stock at end of the last calendar month** (recently new agenda item): Tell us about any ASX security that you have found which has performed very well in the following specific 5-day period: the last full trading week with all five days within the previous calendar month (ie. if we are now in November, the last full week in October: 26-30). And tell us the following: (a) How did you find this security (eg. using a market/BC scan?); (b) Quantify its share price performance over the calendar week; (c) Would you have been tempted to invest in it at the end of that week? (d) In hindsight now, was it worth trading/investing?	30	
7	**Stocks and sectors we are watching:-** (a) *"Trades that I have made"* – either winners or losers, with a discussion about why it did or didn't work. (b) Which stocks and sectors are we currently watching and why? Which ones might we look at in the weeks/ ahead? [Feel free to	20

*** Matthew Flinders Hotel – How to find the hotel Board Room**

Venue location – The Matthew Flinders Hotel is at: 667 Warrigal Rd, Chadstone, on the east side of busy Warrigal Road, just 350 metres from Holmesglen train station, and 750 metres north of the Monash Freeway.
Car Parking – This is available all around the hotel building, and easy hotel access is available on two sides. It's best to park on the Warrigal Road side of the venue towards the up-hill southern end of the car park (towards Dandenong Road and Monash Freeway), and then access the venue through the main front door which has a Reception Desk inside the door on the left. Other entrances from the car park around the back are also available.
Hotel Boardroom meeting room – Our regular monthly user group meeting will start promptly at 7.30pm as normal, in the venue's meeting room known as the "Boardroom". This is fairly well hidden down the back of the large Longitude Function Room. After entering the hotel main entrance into the entry foyer, turn right into the Longitude Function Room(s). Walk down the left side of the function room almost to the very end, and turn left into the passageway that leads to the Boardroom.
