

# Santa Rally? Fact or fantasy?

*One of two presentations to the  
Melbourne ATAA meeting  
January 2014*

*Robert Brain*

## Introduction & Housekeeping

### Santa Rally & 2014 Outlook

The Melbourne ATAA presentation covered two topics, with the slides for each topic available in two separate files:

- ➔ **The truth about the *Santa Rally*** — is it really true? or is it fiction?
- ➔ **Australian market outlook for 2014** using key technical analysis tools, analysing the All Ordinaries index (utilising key details from Robert's “4 Windows” approach).
