

Brainy's Share Market Toolbox

**The traders' journey.
Following the trend!
(and capital protection)**

March 2014

 *"The share market can seem mystical and almost like black magic; but with the right support and assistance, it just seems like magic."*
Robert Brain

This presentation...

This presentation was prepared for a small group of private traders in Melbourne; but the content is very relevant to many investors and traders, especially those starting out, or trying to gain traction with their investing, because it helps remove the fog from a number of issues.

The Premium Toolbox Member version contains a set of slides like this one, with additional explanatory comments on the lower half of the page.
