*Price charts summarise the underlying
opinions and emotions of the market participants.
Every chart tells a story.
It pays to understand the stories in the price charts.*

Introduction

Today's discussion...

When looking for stocks in which to invest,
we might study the price chart
and want to record
our analysis and observations,
and then re-visit the notes at a later time.

But, what sort of observations
are we talking about?
and what are the options
for recording them?
