Medium Term Investing in Today's Awkward Markets

Robert Brain

June 2016

*Price charts summarise the underlying
opinions and emotions of the market participants.
Every chart tells a story.
It pays to understand the stories in the price charts.*

Introduction

About this presentation

- Utilises some key ideas and slides from the Nimble Short Term Investing presentation
- Adjusted a little for medium term investing (as opposed to “short term investing”; which are actually very similar)
- Presented to U3A Manningham, June 2016
