

Technical Analysis?

What is it?

How can I profit?

These presentation slides

**Technical
Analysis**

The ATAA can help you with T.A.

About this presentation

- This set of slides provides a brief introduction to the subject of Technical Analysis.
- This slide set was first prepared by ATAA member Robert Brain in 2011 for use in private seminars, and has been adapted for use by the ATAA.
- These slides have been shown at Melbourne ATAA meetings for the benefit of new-comers, and in the past at the *Trading and Investing Expos*.
- The Australian Technical Analysts Association (ATAA) is a not-for-profit association with a presence in major cities around Australia www.ataa.asn.au

Technical Analysis is very useful!

Financial market price charts summarise the underlying **opinions** and **emotions** of the **real market participants**.

Every chart tells a story.

It pays to understand the stories in the price charts.
