This set of slides is a sub-set of the slides from Robert's 1-day Technical Analysis seminar (which runs in Melbourne for 6 hours, with a handbook of more than 100 pages).

This slide set has been made available to the ATAA for use at the annual Expos, and for display at chapter meetings. Originally prepared in 2010, and updated in August 2014.

This version complete with “speaker notes” in the lower portion of each page are available for Share Market Toolbox (premium) members.
