## Introduction

### U3A Nunawading Summer School 2019

Presenting three 2-hour sessions:

- Share Market 101
- Share Market Price Charts — Unlocking the Secrets
- **Trend Trading ASX Shares**

One-page outline hand-out.

Detailed notes from these sessions are available in Brainy's **Share Market Toolbox** website:

[www.robertbrain.com/presentations](http://www.robertbrain.com/presentations)

Three versions — brief handout, the slides, “speaker” notes.

## Additional comments?

When Robert publishes presentation slides such as this set, there is usually a version of the slides available for Brainy's Share Market Toolbox (premium) members which includes additional explanatory comments — referred to as the “Speaker Notes”.

Each page in the set has the slide on the top half of the page and the “notes” on the bottom half (as shown at right).
